100%

Workflow visibility and compliance tracking with SmartHire™

Here's How SmartHire™ Takes Back Control

ATS power built for high-volume, high-pressure hiring:

1.

Centralized Control. Zero Chaos.

SmartHire™ handles job posting, applicant routing, compliance, and onboarding—all in one clean interface.

2.

Built for the Frontlines. Not the Fortune 500.

Designed specifically for hourly, high-turnover roles—franchise-ready and ops-tested.

3.

Every Workflow. Fully Mobile.

From application to offer, SmartHire™ moves with your team—on desktop or on the floor.

Why It Wins

Purpose-Built for High-Volume Hiring

Not a corporate ATS retrofit. A real system for real recruiters on the ground.

Compliance You Don't Have to Chase

Tracks every action, every step—automatically.

Plays Nice with the Rest of SmartSuite

SmartHire™ powers SmartScreen, SmartScore, SmartTenure, and more.
