

SmartScore™ Over Chaos.

One Score. Every Signal.
Zero Guesswork.

The Evaluation Crisis Is Real

60%

Recruiter time is spent comparing inconsistent candidate data

70%

Bad hires result from incomplete interview feedback

4+

Tools that evaluate one applicant

Unified

Score to help you select the right candidate

Here's How SmartScore™ Brings Clarity

1.

Every Product. One Score.

SmartScore™ aggregates insights from SmartMatch™, SmartScreen™, SmartReferenceCheck™, and SmartTenure™ into a single hiring score.

2.

Built to Evolve in Real Time

As each stage is completed, screen, reference, feedback, SmartScore™ updates instantly to reflect a fuller, smarter view.

3.

Customizable to What Matters Most

Weight your criteria, job fit, retention signals, interview strength, and reference quality to match what matters for each role.

4.

Objective. Visible. Scalable.

SmartScore™ brings transparency and fairness to every decision —so your whole team works from the same truth.

Why It Wins

Confidence in Every Call

No more spreadsheets, gut-feel debates, or siloed notes. Everyone sees the same score at the same time.

Faster, Fairer Decisions

SmartScore™ accelerates hiring without cutting corners, so you move fast and hire smart.

Score Once. Align Everyone.

Recruiters, hiring managers, and HR, all synced to a single, structured hiring signal.

Run on Signal. Not Instincts. Let **SmartScore™** Power Your Strongest Hiring Decisions.
